

Farmer's Daughters Scholarship Program

STATE OF CALIFORNIA
46th District Agricultural Association
18700 Lake Perris Drive • Perris, California 92571

The Friends of the Southern California Fair Foundation is excited to announce the 2023 **Farmer's Daughters Scholarship Program**. This program is a longstanding community tradition available to girls residing in Riverside County who will be between the ages of 16-19 as of October 1st 2023. The top applicants will be selected to serve as Ambassadors promoting the Southern California Fair for the months leading up to the fair.

To participate as a 2023 Farmers Daughter, you do not have to be an actual daughter of a farmer; however, you will be required to be an exhibitor at the 2023 fair. In the months leading up to the Fair, the top applicants (with Fair chaperone) will participate in selected outings serving as Ambassadors of the Fair where they will receive points on attendance, public speaking and presentations. Events may include charity functions, civic events, festivals, parades, and fundraisers.

Concluding pre-fair events, up to five girls will be selected as finalist and move forward to compete during fair-time in October. The girls will compete in fun daily contests, past examples include: sewing, goat milking, and tractor driving! The girls earn points for their application, interview, participation in promotional activities, and fair-time contests. The girl with the highest overall score will be crowned "2023 Farmer's Daughter" at the Fair.
