(Exhibit: Moreno Valley Letter)

Why Does the Team Matter?

2. We are grateful the fair board is considering us as well as grateful the county and state are considering us for this historic event. We agree the board should be cautious about who they allow to do these events as we do not believe all teams have the considerable talent and experience as our team. To that end choosing the right team matters, and there is no better team than this one.

What Are We Proposing to Do?

1. It was our Vision to offer a local option to compete with the Coachella music festival on the same two weekends as Coachella, and we are here to request the opportunity to manifest this Vision.
2. We are requesting the opportunity to throw a two-day event on April 16 and 17.
3. The event will be 21 and over and have live music, food, retail vendors, carnival games, and maybe a few carnival rides, and cannabis vendors selling cannabis for onsite consumption.
4. The event starts at 11 am and ends between 10 pm and 12 am Cannabis not to be sold after 10 pm.
5. Live music will go dark at 10 pm sharp.
6. We would love green fireworks on Saturday night.
7. The types of cannabis we are requesting to sell and use at the event include, cannabis flower, concentrates, cartridges (like vapes), edibles, and drinks as well as medicinal topicals and creams.
8. We are requesting the opportunity to do this event every year for 3 years but with two weekends instead of one (basically the weekends of Coachella), with a 7 year option after that.
9. Site Plan Exhibited.
