

Dear SoCal Junior Livestock Supporter,

The SoCal Junior Livestock Show is just around the corner. The exhibitors and livestock will be on the grounds from October 7<sup>th</sup> through October 15<sup>th</sup>. We invite you and/or your business to visit our department and watch the exhibitors exhibit their projects.

For generations, the Fair has been the place for Riverside County Agriculture Youth to showcase their large and small animals. You will see beef cattle, dairy cattle, dairy goats, sheep, Boer goats, rabbits, poultry, turkeys, and hogs. The competitions generate opportunities for recognition while having fun and creating lifelong friendships and memories. Participants enjoy this rewarding experience year after year. We encourage you, your family, or your business to start your tradition by becoming a part of the experience by providing financial support.

The Fair rewards the youth exhibitors with ribbons, trophies, chairs, and belt buckles for their achievements. With your financial help in becoming a 2023 SoCal Livestock Award Sponsor, together we can continue this great tradition. Your generous sponsorship will be applied directly and solely toward these meaningful awards.

The Fair depends heavily on partners like you and local businesses to keep these outstanding programs alive through your financial contributions. When considering your level of support, please keep in mind the ever-increasing expense of doing business in this challenging economy.

Your support is greatly appreciated by exhibitors, staff, and Fair attendees!

Respectively,

Kelly Secord

Livestock Superintendent
